

# The HKIE Young Engineers Arthur & Louise May Memorial Scholarship

2018/19

## Guidance Notes

### Sponsorship

The Scholarship is to be solely funded by "The Arthur and Louise May Memorial Fund" managed by the HSBC Trustee.

### Aims and Objectives

The Scholarship aims to encourage and support young engineers to further their education abroad for the benefit of the engineering profession and the local community at large.

### The Scholarship

Depending on the nature and duration of the education course, a scholarship will be awarded to suitable candidate(s) for pursuing further education (non-degree granting courses of one week to six months and post-graduate degree granting courses) abroad. Preference would be given to practicing engineers.

The ceiling of each successful application is HK\$400,000. The scholarship shall cover the tuition fee of the course, a return air ticket (economy class) and living expenses\*.

*\*The Scholarship shall cover one-year tuition fee and living expenses as maximum.*

The scholarship will be disbursed in two installments with a 80/20 split. The first installment (80% of the total scholarship amount) of the scholarship will be disbursed to the awardee upon receipt of the letter of acceptance from the education institution, official receipt for the tuition fee payment as well as the duly completed undertaking form. The second installment (the remaining 20% of the total scholarship amount) is to be disbursed to the awardee upon receipt of the interim/final report, depending on the duration of the education course.

### Eligibility

#### The applicant

- aged under 35 on the date of the deadline of application (i.e. 28 September 2018)
- a permanent resident of Hong Kong (*Hong Kong permanent ID card holder*)
- a/an Associate Member/Graduate Member/Corporate Member of the HKIE
- holds a bachelor degree in engineering or equivalent and with good academic standard
- with at least two years of engineering-related experience
- is recommended by at least three referees (at least one from work place and one from academia)
- with technical competence, leadership quality and good communication skills

*\*Preference would be given to practicing engineers, rather than those in the academia.*

*\*Awardee may apply for renewal of Scholarship for the continuation of a course that is longer than one year.*

*\*Recipient of other scholarships/awards may also apply for this Scholarship.*

#### The education course

Non-degree granting courses (between one week to six months) and post-graduate degree granting course outside Hong Kong, including the mainland.

### Application Procedures and Timeline

#### Application timeline

- Submit applications to the preferred education institutions before (or at the same time as) applying for the Scholarship.
- The deadline for application for the Scholarship is **28 September 2018** for education courses starting from 1 January to 31 December 2019.
- Shortlisted candidates will be invited to attend an interview by the Panel of Judges comprising senior Members of the HKIE in November 2018 and the results will be announced not later than December 2018.

#### Application procedures

- Applicant should apply by returning the completed Application Form accompanied by required documents to the HKIE Secretariat by mail (*e-copies of the applications are not accepted*).
- Completed Application Form shall be accompanied by an essay in demonstrating the applicant's suitability for the Scholarship with reference to the selection criteria.

## Selection Procedures

### Shortlisting

Applicants are to be shortlisted by the Work Group.

### Interview

Shortlisted applicants are to be interviewed by the Panel of Judges.

### Selection criteria

- academic achievement
- performance at work
- contribution to the HKIE/the Hong Kong society
- vision and commitment to serve the engineering profession and local community
- performance in the interview
- technical competence, leadership quality and communication skills

The Panel of Judges shall have the sole discretion to decide on the number of awardees each year and the amount of the scholarship to be awarded to each awardee.

The HKIE reserves the right to reject or disqualify any application. The decision of the Panel of Judges will be final. In the event of there being no candidates of sufficient merit, the Panel of Judges may withhold all or any of the awards at its absolute discretion.

If, after the Scholarship is bestowed, any fact supplied in the respective application is discovered to be fraudulent or untrue, or an Awardee is found to be associated with a fraudulent or dishonourable act, the HKIE reserves the right, after consulting the Panel of Judges, to institute any actions deemed fit.

## Announcement of Results

Awardee(s) will be notified of the result not later than December 2018.

## Conditions of the Offer

Awardee should submit standard Reporting Form (in the interim and upon completion of the course) to the HKIE Secretariat as required. Awardee is also advised to keep all the receipts and invoices for checking purpose.

By accepting the Scholarship, the awardee undertakes to complete the approved education course and to submit any report/proforma/document as required. Should the awardee discontinue his/her programme of study or fail to submit any report/proforma/document as required, the HKIE reserves the right to request the awardee to return to the HKIE part/full amount of the fund received.

Should an awardee decide to vary his/her approved education course due to any reason, he/she is required to inform the Institution timely by producing relevant documentary proof. The HKIE reserves the right to request the awardee to return to the HKIE part/full amount of the fund received.

Awardee is encouraged to participate in the HKIE activities as far as possible. Awardee may also be invited to share his/her experience and technical knowledge gained with HKIE members in a sharing session arranged by the HKIE Secretariat or in the HKIE Journal.
