Professional Experience

Ir Eng is a professional civil engineer, arbitrator, adjudicator, chartered secretary and chartered governance professional. He has over 24 years of engineering and dispute resolution experience in Hong Kong. His experience includes planning, design, procurement, construction, project management, contract administration, operation and maintenance of a wide range of infrastructures. Many of these projects were multi-disciplinary, involving integration of civil, electrical and mechanical engineering.

Ir Eng has worked on various forms of contract and held senior position of Contract Adviser. He heads a team to provide support to the Client and colleagues on dispute resolution and contractual matters such as arbitration, adjudication, mediation, claims assessment, contract interpretation, administration of NEC contracts, tender vetting and tendering procedures, etc.

Areas of Expertise

Civil Engineering, Construction, Contract Administration, NEC Contracts, Project Management, Arbitration, Adjudication, Mediation
