BSc Degree in Computer Science (FT)	JS1204	2023
Note(s): <ul style="list-style-type: none"> - Since 2012, Hong Kong has restructured its undergraduate education from three to four years. This programme is being offered before 2012. - This programme was formerly known as BSc (Hons) Degree in Computer Studies up to Intake year 1999 and accredited by the HKIE under the accreditation criteria for engineering degree programmes up to Intake year 2001. Starting from Intake year 2002, this programme is accredited by the HKIE under the accreditation criteria for computer science programmes. - The accreditation status also covers the single Intake class in 2012 of the BSc (Hons) Degree in Computer Science (Full Time) (4-year programme) admitting mainly Hong Kong A-level students as “Advanced Standing I” under a separate JUPAS code. 		

General Notes:

- # Computer Science programmes accredited by the HKIE shall meet the academic requirements for Member of the HKIE in the Information Discipline.
- * The HKIE adopts the “Intake year” basis, i.e. a programme is accredited up to the students intake of a particular year, normally in the September of that year.
- ** FT = Full time mode
PT = Part time mode
SW = Sandwich mode
Provisional = Accredited provisionally until the first cohort of graduates. Full accreditation will be considered following a full visit afterwards.
- *** The HKIE accredits all computer science programmes in accordance with the Accreditation Criteria for Computer Science Programmes which intends to meet the standards of the Seoul Accord. Programmes may carry different titles but the same outcomes standards are required to be observed.
