General Notes:

Computer Science programmes accredited by the HKIE shall meet the academic requirements for Member of the HKIE in the Information Discipline.

* The HKIE adopts the “Intake year” basis, i.e. a programme is accredited up to the students intake of a particular year, normally in the September of that year.

** FT = Full time mode

PT = Part time mode

SW = Sandwich mode

Provisional = Accredited provisionally until the first cohort of graduates. Full accreditation will be considered following a full visit afterwards.

- *** The HKIE accredits all computer science programmes in accordance with the Accreditation Criteria for Computer Science Programmes which intends to meet the standards of the Seoul Accord. Programmes may carry different titles but the same outcomes standards are required to be observed.
