SCHEME “A” GRADUATE TRAINING**

**Eligibility to Scheme “A” Training for Graduates of Engineering Programmes Accredited by the HKIE**

**CityU, PolyU, HKUST, HKU, CUHK  
(Under old curriculum, pre “3+3+4” academic structure)**

Remarks:

- Please refer to the separate documents regarding the notes of the HKIE accredited engineering degree programmes and the Scheme “A” related notes.
- The “3+3+4” academic structure was implemented in the higher education sector in September 2012. Under the new academic structure, students would receive six-year secondary education and four-year higher education. Please refer to separate document for matching results for programmes under “3+3+4” academic structure.
- More information is available from the Membership Section on the admission requirements for respective Disciplines.
