The HKIE Young Engineers Arthur & Louise May Memorial Scholarship aims to encourage and support young engineers to further their education abroad for the benefit of the engineering profession and the local community at large. With the generous support of the Arthur & Louise May Memorial Fund, our young engineers are given an opportunity to equip themselves to better serve the community by further their studies abroad. We would like to thank the Arthur & Louise May Memorial Fund again for the unstinting support to the development of our young engineers.

The next cycle of the Scholarship will open in the 3rd quarter of 2023. For those interested young members, please stay tuned for further details.
