

**HKIE Toastmasters  
Club Chairperson's Message**

Welcome to The Hong Kong Institution of Engineers Toastmasters Club!

We are an in-house Toastmasters Club established in 2002 and affiliated with the Hong Kong Institution of Engineers.

The mission of Toastmasters is to provide a mutually supportive and positive learning environment for public speaking and leadership skills to our members and guests. We follow the Toastmasters International's structured training programme called "Pathways". Members are encouraged to take active various toastmaster activities in order to achieve various milestones toward the target as a Distinguished Toastmaster.

The mission of the HKIE Toastmasters Club is '**Engineering Better Communication and Leadership**'. In the session 2021-22, I shall have close communication with each of the HKIE Toastmasters Club members and give advice and direction to enhance our members' communication and leadership skills. Effective communication and leadership skills are basic competencies and fundamentals for nowadays successful engineer.

Come to the HKIE Toastmasters Club regular meetings. You will be surrounded and influenced by 'high achievers' and be motivated to find your success road map for your career.

If you would like to obtain more information about our Club, please contact us at [hkietoastmasters@gmail.com](mailto:hkietoastmasters@gmail.com).

Melissa Waye  
Club President (2021-2022)  
Hong Kong Institution of Engineers Toastmasters Club
