

Press Release

Newly-Installed HKIE President Ir Dr Barry Lee Chi-hong “We Engineer, We Serve”

(Hong Kong, 29 June 2023) The Hong Kong Institution of Engineers (“HKIE”) is pleased to announced that Ir Dr Barry Lee Chi-hong has been elected as the 49th President at the 48th Annual General Meeting held on 28 June 2023. Concomitantly, Ir Aaron Bok Kwok-ming becomes the Immediate Past President of the Institution.

President Ir Dr Lee has set for Session 2023/2024 the theme “We Engineer, We Serve” (知行合一 成就專業), which emphasises the integration of knowledge and practice for serving the people and society with engineers’ professional values and skills. “Engineers play the dual roles of ‘innovator’ and ‘servant’. We use our professional capabilities to design and innovate products and solutions that advance the world’s development, and at the same time provide services for people and contribute to society,” said Ir Dr Lee. During his tenure, Ir Dr Lee will continue to work with the Institution’s management and implement the strategically-built Time to Change Roadmap, aiming to improve member service and actively respond to members’ expectations. He will also carry out activities according to his action plan to support the development of the engineering industry and society as a whole, and ultimately co-create a better future for all.

Ir Dr Lee has specially set a slogan for this Session – “Be the change”. “I hope today’s and our future engineers will continue to uphold professional ethics, challenge yourself to excellence, innovate and maintain enthusiasm. That is how we can repeatedly create value and achievements that outshine the ordinary,” Ir Dr Lee emphasised.

Possessing over 30 years of experience in engineering and management as well as an unrelenting passion to serve the industry, Ir Dr Lee is committed to enhancing the understanding of the engineering profession among various stakeholders through experience sharing, and leading the HKIE and our members to sustain engineering excellence.

At the AGM, it was also announced that Ir Eric Ma Siu-cheung and Ir Alice Chow Kin-tak were re-elected as Vice Presidents. Ir Prof Frank Chan-fan was elected Vice President for this Session on the day of the AGM. The five new Elected Ordinary Members of the Council are Ir Chiang Tung-keung, Ir Johnson Lee Kwun-chung, Ir Prof Eddie Lock Hung-kee, Ir Charles So Hung-tak and Ir Gloria Tang Yuk-ye.

Biography of Ir Barry Lee Chi-hong

As HKIE Fellow, Ir Dr Lee was elected as Vice President of the HKIE in 2020 and was further elected as Senior Vice President in 2022. Other than serving as a member of the Executive and the Council, he has held a number of leading positions in various Boards and Committees and Task Forces, making significant contributions to the development of the Institution and the advancement of the engineering industry in Hong Kong.

Ir Dr Lee graduated from Sunderland Polytechnic in United Kingdom with a Bachelor's Degree in Mechanical Engineering in 1991, a Master's Degree in Environmental Management at HKU in 1994, and later received his Doctorate's Degree in Business Administration from City University of Hong Kong in 2016. Ir Dr Lee is a Registered Professional Engineer in Building Services, Environmental and Mechanical Disciplines.

Ir Dr Lee started his engineering career by joining a 4-year technician training programme with Hong Kong Electric Company Limited in 1985. He then joined ATAL Engineering Limited (ATAL) in 1991 after graduation from Sunderland Polytechnic and was promoted to become the Director of the company in 2015. He left ATAL and joined Associated Engineers, Limited, a well-known multi-disciplinary engineering company in Hong Kong specialising in Airport Engineering, Environmental Engineering, Infrastructure Engineering, Logistics & Automation and Engineering Services, as their Chief Executive Officer in 2019.

Ir Dr Lee has actively involved in the local learned societies of engineers and other industrial association since 2000. He was the Chairman of Hong Kong Waste Management Association between 2012 and 2014, Chairman of Hong Kong Branch of the Institution of Mechanical Engineers between 2014 and 2017. He is currently a member of Engineers Registration Board of Hong Kong, a member of Infrastructure Advisory Committee of Hong Kong Trade and Development Council and a member of Advisory Committee of Recycling Fund under Environmental Bureau. Since 2006, Ir Dr Lee has been appointed as the member of a number of Appeal Board Panels under various ordinances including Town Planning, Building Energy Efficiency, etc, by the HKSAR Government. He is also an Industrial Advisory Panel member of the Engineering Degree Programme of various local universities.
