Young Engineer of the Year Award 2024

Call for Nominations

Young Engineer of the Year Award 2024

Each year this prestigious award honours those outstanding young engineers who have made valuable contributions to the continuous development of Hong Kong through their engineering achievements

Purposes

- To recognise and honour outstanding young engineers who have made commendable achievements and valuable contributions as engineers to the continuous development of Hong Kong
- To encourage active participation and contribution of young engineers to the engineering profession and the community
- To promote and foster professionalism, dedication, enthusiasm and leadership among young engineers

Eligibility

Nominations are invited for the selection of the Young Engineer of the Year Award 2024. Candidates should be

- a Corporate Member of the HKIE;
- of age 35 or below at the closing deadline of nomination on 1 December 2023;
- nominated by a Corporate Member of the HKIE or by a public/private organisation. Each nominator or nominating organisation shall nominate ONE entry only. Self-nomination will not be accepted; and
- supported by two referees who should be Corporate Members of the HKIE.

Selection Criteria

Eligible candidates will be judged based on their achievements, contributions and involvements in the engineering profession. Candidates' active involvement in and contribution to the HKIE and the community would also be favourably assessed.

Selection Process

Shortlisted candidates will be invited for interviews by the Panel of Judges in mid-January 2024. The award winner will be notified by early-February 2024.

Award Presentation

Presentation of the Award will be made at the HKIE Annual Dinner tentatively on 15 March 2024. The award winner will receive a trophy and an award certificate. The Institution will support the award winner to represent the HKIE to attend a conference outside of Hong Kong within one year following the day of receipt of the Award. Certificates of Merit would be given at the discretion of the Panel of Judges.

Proposal for Nomination

Proposals for nomination must include:

- a completed nomination form;
- nomination from a Corporate Member of the HKIE or by a public/private organisation;
- reports from two referees providing written character references for the candidates, which confirm his/her achievements and contributions as an engineer to the engineering profession and the community; and
- copies of relevant supporting documentation, where appropriate.
