

Membership of Divisions, Safety Specialist Committee (SSC) and Young Members Committee (YMC)

Information to note:

As a learned society, the HKIE encourages the exchange of technical information and ideas of different engineering fields among members and kindred organisations. Many of the learned society activities including but not limited to technical meetings, seminars and social events are organised by Divisions and Committees which allow members with common technical or other interests to share and disseminate information.

Division membership is open to any member of the Institution. Only members of the Divisions shall have the voting right in the General Meetings of the respective Divisions.

Fee

- Each member of the HKIE may join three Divisions free of charge, and is required to pay HK\$100 per annum for joining each additional Division. *(Members who wish to join more than three Divisions shall be required to enclose a cheque with the right amount payable to “The Hong Kong Institution of Engineers” when submitting this form.)*
- All HKIE members are eligible to join SSC free of charge in addition to a maximum of three Division membership free of charge.
- Starting from Session 2026/2027, all HKIE members aged 35 or below will be automatically designated as Young Members upon joining the Institution. Existing HKIE members in this age group will also be recognised as Young Members. Hence, members at the age of 35 or below will be members of the YMC by default.

Should members wish to add or remove membership of Divisions and SSC, please fill out the form to indicate clearly your choices/updated choice(s) of Division membership and return the completed form to the Membership Section of the HKIE Secretariat.
