Notes:

1. Abbreviations of the HKIE Disciplines

|                                                    |                                                     |
|----------------------------------------------------|-----------------------------------------------------|
| <b>ACE</b> : Aircraft                              | <b>FRE</b> : Fire                                   |
| <b>BME</b> : Biomedical                            | <b>GAS</b> : Gas                                    |
| <b>BSS</b> : Building Services                     | <b>GEL</b> : Geotechnical                           |
| <b>BUD</b> : Building                              | <b>INF</b> : Information                            |
| <b>CAI</b> : Control, Automation & Instrumentation | <b>LTE</b> : Logistics & Transportation Engineering |
| <b>CML</b> : Chemical                              | <b>MAT</b> : Materials                              |
| <b>CVL</b> : Civil                                 | <b>MCL</b> : Mechanical                             |
| <b>ELL</b> : Electrical                            | <b>MIS</b> : Manufacturing, Industrial & Systems    |
| <b>ENS</b> : Electronics                           | <b>MNA</b> : Marine & Naval Architecture            |
| <b>ENV</b> : Environmental                         | <b>NUE</b> : Nuclear                                |
| <b>ENY</b> : Energy                                | <b>STL</b> : Structural                             |

2. Status is defined as follows:

- Probationary: the discipline which the company has been assessed by the HKIE and is approved to offer Scheme “A” training.
- Confirmed: the discipline which the company has been re-assessed\* by the HKIE and is approved to offer Scheme “A” training.  
(\*re-assessment normally includes company visit and trainee interview)
