BEng (Hons) Degree in Building Sciences and Engineering (including the programme with specialism of Building Services Engineering) (FT)	JS3110	2027				
Note(s): - Since 2012, Hong Kong has restructured its undergraduate education from three to four years. This programme is being offered before 2012. - The sandwich mode of the programme ceased to offer with effect from the 2014/15 cohort of intake. - The “Building Energy Management Stream” was previously available in this programme and hence full accreditation status covered the BEng (Hons) Degree in Building Services Engineering (including Building Energy Management) (FT and SW). The Building Energy Management Stream was formally removed from the programme for the intake cohort of 2001/2002. - Specialism “Building Services Engineering” was available in this programme for the 2022/23 and 2023/24 intake cohorts and this specialism would be removed from the programme with effect from the 2024/25 intake. - Information on the change of Programme Name is as follows:<table><tr><td>Programme name</td><td>Intake year</td></tr><tr><td>BEng (Hons) Degree in Building Services Engineering (FT and SW)</td><td>2021 and before</td></tr></table>			Programme name	Intake year	BEng (Hons) Degree in Building Services Engineering (FT and SW)	2021 and before

Phased-out Programmes		
BEng (Hons) Degree in Building Services Engineering (FT) (2-year Self-financed)	--	2016
Note(s): - Based on the changes of education system to “3-3-4” in Hong Kong, this programme has been revamped under the 4-year undergraduate education since 2014. This programme had been offered under the 3-year undergraduate education before 2014. - This programme has been phased out with the last intake in 2016.		
BEng (Hons) Degree in Building Services Engineering (PT) (Self-financed)	--	2013
Note(s): - This programme was offered under the 3-year undergraduate education.		
BEng (Hons) Degree in Building Services Engineering (with specialism in Fire Engineering) and (with specialism in Building Electrical Services) (PT) (Self-financed)	--	2000
Note(s): - This programme was offered under the 3-year undergraduate education. - This programme was accredited by the HKIE starting from Intake year 1997.		
BEng (Hons) Degree in Civil and Environmental Engineering (FT)	--	2007
Note(s): - This programme was offered under the 3-year undergraduate education. - Starting from the 2005/2006 cohort of intake, the programme was evolved to the BEng (Hons) Degree in Civil Engineering (FT and SW) which was a merger of the BEng (Hons) Degree in Civil and Structural Engineering and BEng (Hons) Degree in Civil and Environmental Engineering. - Information on the change of Programme Name is as follows:

General Notes:

- * The HKIE adopts the “Intake year” basis, i.e. a programme is accredited up to the students intake of a particular year, normally in the September of that year.
- ** Currently, no distance learning programmes have been accredited or recognised by the HKIE.
- *** FT = Full time mode
 PT = Part time mode
 SW = Sandwich mode
 Provisional = Accredited provisionally until the first cohort of graduates. Full accreditation will be considered following a full visit afterwards.
