

REQUEST FOR PHYSICAL MEMBERSHIP CARDS FOR NEWLY-ELECTED CORPORATE MEMBERS

The HKIE issued electronic membership cards (e-membership cards) as a replacement of the physical cards to Student Members from Financial Year 2021-2022, and the same arrangement has been made for Graduate Members, Companions and Affiliates from Financial Year 2022-2023. To pursue with the digitalisation plan, this service of e-membership card has also been extended to Corporate Members (Fellows, Members) and Associate Members from Financial Year 2024-2025.

The e-membership card will be available five working days after the settlement of membership subscription for that financial year. Members can access their e-membership cards online in the Members Login area under “My Membership” > “e-Membership Card” on the HKIE website <http://www.hkie.org.hk/>.

In addition to the issue of e-membership card, Corporate Members in need will be offered a choice of receiving a physical membership card for use upon entering construction sites. **The statement “*This member of The Hong Kong Institution of Engineers has satisfied the Commissioner for Labour in respect of Section 6BA(4), Cap. 59*” will be included in the physical membership card only.**

If you would wish to receive a physical membership card, which would be valid until the end of the current financial year, please make a declaration on your satisfaction of the CPD hours as required related to health & safety (which must include Occupational Safety & Health) for the 12 months preceding the current financial year. Upon the settlement of the membership subscription fee and completion of the declaration the physical membership card will be issued accordingly.
