

The Hong Kong Institution of Engineers

Election of the Council

Notes to Candidates

Candidates for the Election of the HKIE should take note of the Notes to Candidates on the circulation of election materials and comply with the requirements as set out in these Notes.

- (a) All messages must be factual and defamatory contents must not be included.
- (b) Candidates shall be asked to withdraw all messages with contents that the Institution opines to be not proper or at least questionable, which are publicly distributed through their own means. Candidates are also required to issue a notice stating such withdrawal, amendment or correction as appropriate.
- (c) The Council will consider taking further action(s), including but not limited to the issuance of warning note(s), on instance(s) of candidate(s)' ignoring these Notes. Any incorrect information, misrepresentation or mistake made in their election material may be deemed evidence of misconduct and could be subject to strict disciplinary action.
