

The HKIE Toastmasters Club

HKIE Toastmasters Club Regular Meeting held on 1 February 2024

By Ms Josie WANG

The captioned meeting was held on 1 February 2024 with "Innovation Unlimited" as the meeting theme. Both members and participants shared their experience pertaining to the theme in the engineering field and other industries. A key idea "imagine" was also shared.

We were grateful to have Ms Briana Lam and Ir Dr F C Chan as the Toastmaster of the Evening and the Table Topics Master respectively.

Ir Dr Chan initiated an interactive Table Topics Session and encouraged the participants to ignite their imaginations and share their knowledge and experience in innovation unlimited.

The topics also covered innovation if you were a HKIE president, a wonderful metal, a super conductor and smart. Then some insights into the potential risks of innovation and sleeping in the office were also shared.

The topics inspired everyone to discuss unlimited innovation in various industrial areas. Participants in the Table Topics were also encouraged to deliver their speeches on stage to practise their public speaking skills.

Prepared speeches were delivered by Mr Ivan Ip (Pathways Level 1 Project 5: Second Speech Title: Research in First Impression); Mr Vincent Lo (Pathways Level 1 Project 5: Second Speech Title: Tourism in Japan); Ir T K Cheung (Pathways Level 1 Project 3: Repeat First Speech Title: Introduction of YMC) and Mr Leo Lee (Pathways Level 1

Project 3: Repeat First Speech Title: Dealing with changes). The speeches were evaluated based on their strengths and areas for improvement in public speaking.

Finally, the best speakers and evaluator were selected for this meeting: -

The best table topic speaker: Ir Charles Lee

The best prepared speech: Mr Ivan Ip

The best evaluator: Ir Dr F C Chan

TMC meetings are a learn-by-doing platform where participants can hone their speaking and leadership skills in a relaxed atmosphere. Don't miss this wonderful chance to strengthen your public speaking skills and expand your engineering network. If you are interested in joining us, please contact our Vice President Public Relation Ms Jessie Ng by email at jessy.cs.ng@clp.com.
