

Expression of Interest in Nomination on to External Boards/Committees – Information for HKIE members

- A call for self-nomination is announced once per Session and only acceptable before the announced deadline.
- Expression of interest must be made via the specific online expression of interest form.
- The self-nomination should be supported by two HKIE members who are Associate Members/Corporate Members by completing the Recommendation Form.
- Members submitting self-nomination have to indicate the Division/Committee (one only) he/she would like to represent, i.e. the Division/Committee through which his/her nomination would be submitted for consideration of the Standing Vetting Panel of Public Service Committee. Screening will be done on a case-by-case basis by Divisions/Committees who may approve or reject the self-nominations. Divisions /Committees reserves the right to decide the final nominations.
- Self-nominations submitted would be kept for one Session only*. Existing candidates are required to indicate their interest to maintain their self-nomination for another Session and make necessary update on their record at the beginning of each Session.
- Given the potentially significant number of self-nominations received and the relatively limited number of available positions from external boards/committees, it is not possible to make recommendation for all self-nominees.

**All personal data collected from self-nomination submissions in Session 2025/2026 would be destroyed by end of the Session (i.e. June 2026).*
