

Guidelines for Reinstatement of Certification of EIA Qualification

1. Scope of reinstatement certification of EIA qualification

Reinstatement of certification of EIA qualification applies to the Engineering EIA Professional (Eng EIA Pro) who -

- (a) have resigned from HKIE membership or his name having been struck off the Roll pursuant to a resolution of the Council by virtue of his failure to pay his annual subscription; or
- (b) have not completed 12 hours of CPD activities related to Environmental in a year; or
- (c) have not completed the renewal procedures as specified in the Guidelines for Renewal before the lapse of Eng EIA Pro status.

2. Application procedures

2.1 An applicant who has ceased to be Eng EIA Pro set out in paragraph 1(a) above is required to complete the necessary procedures for reinstatement of HKIE membership stipulated in the *Guideline for Reinstatement of Membership*. Upon approval of reinstatement by the Council, the applicant is required to follow the steps stipulated in paragraph 2.2 below.

2.2 Applicants who fall into the scope defined in paragraphs 1(a), 1(b) or 1(c) are required to submit a completed Application Form for Reinstatement of Certification of EIA Qualification. The relevant documents can be downloaded at the HKIE website (www.hkie.org.hk) under “Members” > “Downloads” > “Certification of EIA Professionals”. If the Professional Certification Committee found the applicant’s application for reinstatement for certification is in order, the reinstatement application will be submitted to the Qualification & Membership Board for approval.

2.3 Reinstatement of certification of EIA qualification is HK\$250.

(Where the masculine gender is used in the text, it is intended that this should embrace both the masculine and feminine genders.)
