THE HONG KONG INSTITUTION OF ENGINEERS
SCHEME "A" GRADUATE TRAINING

Eligibility of Overseas Engineering Programmes in
Building Services Engineering
for Registering in Scheme "A" in Building Services (BSS) Discipline
(2026 Graduates and onwards)

Remarks:

(i) The list of engineering programmes included in this document has been reviewed and is considered to have met the Minimum Core Subject Areas (MCSA) of Building Services Discipline.

(ii) Graduates of these programmes, while having met the MCSA, must also meet the academic requirements of a HKIE Corporate Member, and have applied or applying to become a Graduate Member of the HKIE before they may register in Scheme "A".

(iii) The list is not exclusive and is compiled from past Scheme "A" registrations in Building Services Discipline. Graduates of other non-local engineering programmes which are not included in the list but have satisfied the academic requirement for Corporate Membership may still be eligible to register in Building Services Discipline subject to the assessment via Individual Matching. For details of Individual Matching, please refer to "TN-C Notes on Trainee Registration."

(iv) The list will be reviewed and updated as necessary. In case of dispute, the HKIE shall have the final decision regarding the eligibility of an applicant for registering in Scheme "A".
