The HKIE Young Engineers

Arthur & Louise May Memorial Scholarship

2017/18

Call for Application

Aims and Objectives

The Scholarship aims to encourage and support young engineers to further their education abroad for the benefit of the engineering profession and the local community at large.

The Scholarship

Depending on the nature and duration of the education course, a scholarship will be awarded to suitable candidate(s) for pursuing further education abroad. Preference would be given to practicing engineers.

The ceiling of each successful application is HK$400,000. The scholarship shall cover the tuition fee of the course, a return air ticket (economy class) and living expenses.

Eligibility

The applicant

- aged under 35 on the date of application (i.e. 29 September 2017)
- a permanent resident of Hong Kong (Hong Kong permanent ID card holder)
- a/an Associate Member/Graduate Member/Corporate Member of the HKIE
- holds a bachelor degree in engineering or equivalent and with good academic standard with at least two years of engineering-related experience
- is recommended by at least three referees (at least one from work place and one from academia)
- with technical competence, leadership quality and good communication skills

The education course

Non-degree granting courses (between one week to six months) and post-graduate degree granting courses outside Hong Kong, including the mainland.
