THE HONG KONG
INSTITUTION OF ENGINEERS
香港工程師學會

The HKIE Young Engineers Arthur & Louise May Memorial Scholarship 2013/14

Call for Application

Aims and Objectives

The Scholarship aims to encourage and support young engineers to further their education abroad for the benefit of the engineering profession and the local community at large.

The Scholarship

Depending on the nature and duration of the education course, a scholarship will be awarded to suitable candidate(s) for pursuing further education abroad. Preference would be given to practicing engineers.

The ceiling of each successful application is HK$300,000. The scholarship shall cover the tuition fee of the course, a return air ticket (economy class) and living expenses.

Eligibility

The applicant
- aged under 35 on the date of application
- a permanent resident of Hong Kong *(Hong Kong Permanent ID card holder)*
- a/an Associate Member/Graduate Member/Corporate Member of the HKIE
- holds a bachelor degree in engineering or equivalent and with good academic standard with at least two years of engineering-related experience
- is recommended by at least three referees (at least one from work place and one from the academia)
- with technical competence, leadership quality and good communication skills

The education course
- Non-degree granting courses (between one month to six months) and post-graduate degree granting courses outside Hong Kong, including the Mainland

Selection criteria

- academic achievement
- performance at work
- contribution to the HKIE/the Hong Kong society
- vision and commitment to serve the engineering profession and local community
- performance in the interview
- technical competence, leadership quality and communication skills

Application Procedures

- Completed Application Form accompanied by the required documents should reach the HKIE Secretariat by mail *(e-copies of the applications are not accepted)*
- Please refer to the HKIE website at: www.hkie.org.hk/yealmscholarship for details

Deadline for application for the 2013/14 cycle
Monday, 30 September 2013
