Dear Mr CHOI

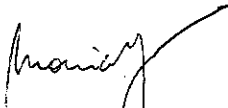

Views on Guide on Good Practice for the Control of Noise from Liquor Licensed Establishments

Thank you for your letter of 13 February 2015 inviting the Institution for views on the captioned subject.

After consulting members of the Institution, we suggest that the Government considers requiring the Liquor Licensed Establishment to erect an advisory display at conspicuous locations advising the customers to cooperate keeping their noise down otherwise they may be subject to Police's prosecution. Besides, the Licensed Authority may collect views from the District Council concerned particularly at locations close to domestic buildings for new applications.

Thank you for your attention.

Yours sincerely

Monica YUEN (Mrs)
