## **Exciting Activities at Hong Kong Engineers Week Carnival Creates a Great Atmosphere for the Weekend** *Winner of “Our Future Engineers” Quiz Competition Announced*

(Hong Kong, March 2, 2024) The Hong Kong Institution of Engineers (HKIE) is hosting the Hong Kong Engineers Week Carnival (the Carnival) with the theme “Be the Change” at Harbourside Lawn, West Kowloon Cultural District, from today until 3 March (Sunday). The Carnival features a series of exciting activities and over 40 booths and games from different partners. It aims to showcase the diverse engineering industry and has attracted many citizens and parents who have brought their children to participate.

Today, the second day of the Carnival, the “Our Future Engineers” Secondary Student Quiz Contest was held. The purpose of the competition is to inspire students to take an interest in engineering and provide them the opportunities to interact with practicing engineers. HKIE members invite student from their graduated secondary school to form teams and compete on behalf of their schools in a group quiz competition focusing on engineering-related knowledge and science. The first round contest was completed earlier, and three teams were selected out of 12 teams to compete in the finals today. The students demonstrated excellent performance and the contest was intense. After two rounds of competitions, the Champion, first runner-up and second runner-up were awarded to **Shun Tak Fraternal Association Leung Kau Kui College, Immaculate Heart of Mary College and Shun Tak Fraternal Association Yung Yau College** respectively.

Five finalists from “Engineer Alliance” took part in a quiz competition, demonstrating their professionalism to the public. The final round of “Engineer Alliance” speech competition will take place tomorrow (3 March), and the winner will be determined by a panel of judges and public voting.

Various performance groups entertained the public with exciting shows, including a Singing performance by artist Travis WONG, rope performance, freestyle football, and Yo-Yo performance. The Carnival will be open to the public for free tomorrow, featuring the “Our Dream City” primary school design competition and the closing ceremony.

**About the HKIE**

The Hong Kong Institution of Engineers (HKIE) – previously The Engineering Society of Hong Kong - was founded in 1947. In 1975, the HKIE was incorporated under the Hong Kong Institution of Engineers Ordinance, Chapter 1105 of the Laws of Hong Kong. Today the HKIE has over 34,000 members, of which around 17,000 are Corporate Members.

The Institution aims to bring together engineers of different disciplines for their common good. The HKIE is committed to upholding the quality of membership, and sets standards for the training and admission of engineers from 22 engineering disciplines. It also has strict rules governing members' conduct and is dedicated to raising the ethical standards of professional engineers in Hong Kong. For more information about the HKIE, please visit <https://hkie.org.hk>
