

Guidelines for CCBM and/or CCBC to obtain Engineering BIM Professional (Eng BIM Pro) and/or Engineering BIM Coordinator (Eng BIM Coord)

HKIE members who are Construction Industry Council (CIC)-Certified BIM Manager (CCBM) or Certified BIM Coordinator (CCBC) are welcome to apply for Engineering BIM Professional (Eng BIM Pro) or Engineering BIM Coordinator (Eng BIM Coord).

1. Eligibility

- Corporate Members (FHKIE/MHKIE) are eligible to apply for Eng BIM Pro.
- Corporate Members (FHKIE/ MHKIE) or Associate Members (AMHKIE) are eligible to apply for Eng BIM Coord.

Notes:

- Members who are CCBM/CCBC are not required to complete the respective VTC training courses tailor-made for members to satisfy the BIM training requirement for Eng BIM Pro and Eng BIM Coord.
- Members who have completed a CIC-recognised CCBM and/or CCBC course(s) but have not obtained CCBM/CCBC are advised to follow the existing pathway of CIC to obtain the CCBM and/or CCBC title(s) before applying for Eng BIM Pro and/or Eng BIM Coord.

2. Application and Assessment

Core competencies of Eng BIM Pro and Eng BIM Coord are incorporated with engineering-specific elements. Members who are CCBM/CCBC applying for Eng BIM Pro and Eng BIM Coord are required to demonstrate their attainment of the core competencies for Eng BIM Pro and/or Eng BIM Coord in their application(s).

Applicants are required to submit a completed application form obtainable at <https://www.hkie.org.hk/en/membership/section/227/> together with your CCBM/CCBC Certificate and the relevant supporting documents for consideration of the Assessors. An interview assessment is not required if the Assessors find the written information provided has sufficiently demonstrated the applicant's attainment of the related core competencies.

3. Fees

- Certification of Eng BIM Pro: HK\$1,000
- Certification of Eng BIM Coord: HK\$500

If you have any queries, please contact the External Qualifications Section by phone at 2830 9098 or by email at eq@hkie.org.hk.
