

Appeal Procedures of Certification of Engineering EIA Professional (Eng EIA Pro)

1. Any appeal against the decision involving applications for certification of Engineering EIA Professional (Eng EIA Pro) shall include a letter stating the grounds of appeal and shall be submitted by the appellant to the External Qualifications Section of the HKIE within 14 calendar days of the announcement of results (excluding the day of the announcement).
2. Sufficient evidence shall also be submitted together with the letter of appeal.
3. A fee of HK\$930 shall be required for any appeal against the decision involving applications for certification of Eng EIA Pro. Such fee shall be deposited together with the appeal letter within the prescribed period, and is refundable if the appeal is successful.
4. The Professional Certification Committee shall review the case and make a recommendation to the Qualification & Membership Board for a decision.

For enquiries, please contact the External Qualifications Section at (852) 2830 9098.

Flow Chart for Appeal Procedures of Certification of Engineering EIA Professional (Eng EIA Pro)
